

Selection Procedure

Basic Sciences (SA, SB + 2 (SX) and SB)

After scrutiny of application forms, based on the performance in the Board Examination, the applicant will be called for a written aptitude test. The test will be conducted at different centers in the country on **31st October 2010**. The details of the venue of the aptitude test for the eligible candidates will be published on KVPY website during the first week of October 2010. Based on the performance in the aptitude test, short listed applicants will be invited for an interview which is the final stage of the selection procedure.

Aptitude Test for the Stream SA / SB + 2 (SX) / SB on 31st October 2010

For the seat number and venue of the aptitude test information of the chosen center, please see KVPY website during the first week of October 2010. Applicants who have applied online may download the admit card for the aptitude test from the website from the second week of October 2010.

For the SP Stream, applicant is required to submit the completed application together with a hard copy of the report of the project carried out by the candidate exclusively for this application. The applicant's **creativity** and **originality** should be amply reflected in the project. This project has to be supervised by a teacher / professional in the relevant field. Based on the project submitted and scrutiny of application forms, short listed candidates will be called for an interview, which is the final stage of the selection procedure. The interview will be conducted at IISc, Bangalore during the month of December 2010 / January 2011.

Applications (SP Streams) without a hard copy of the project report will not be considered. Also, joint projects will not be considered for the fellowship. The project should not be a routine one (such as measuring well known properties of materials etc.). The supervising teacher / professional is required to provide a recommendation letter certifying the extent of the applicant's original contribution to the project.

Incentives for KVPY Fellows:

KVPY Fellows will have access to facilities in various research institutions. This is expected to give them an exposure to frontline research. KVPY Fellows in their first year will participate in Summer Camps conducted at the Indian Institute of Science or at IISER, Kolkata / Pune / Mohali / HBCSE, Mumbai / HRI Allahabad, IIT-B, Mumbai and ICMR, New Delhi. KVPY Fellows at the undergraduate level may also be individually associated with investigators at national institutions to carry out research.

KISHORE VAIGYANIK PROTSAHAN YOJANA 2010

The KVPY program aims to identify and select students who demonstrate talent and aptitude, and encourage and assist them in pursuing research careers in their chosen fields.

The Kishore Vaigyanik Protsahan Yojana (KVPY) is a program to encourage students of Basic Sciences, Engineering and Medicine to take up research careers in these areas.

The aim of the program is to identify and encourage talented students with aptitude for research. This program strives to assist the students to realise their potential and to ensure that the best scientific talent is tapped for research and development in the country. Generous fellowships will be provided (upto the pre-Ph.D level) to the selected students. In addition, Summer Programs in prestigious research and educational institutions in the country will be organized.

Initiated and funded by the Department of Science and Technology, Government of India, the program is administered by the Indian Institute of Science (IISc), Bangalore, in association with IISER-Kolkata, HBCSE-Mumbai, IIT(B)-Mumbai & ICMR- New Delhi.

Selection for Streams SA/SB+2(SX)/SB/SP(Basic Sciences) and SP (Medicine) will be carried out by IISc, Bangalore, IIT(B), Mumbai and ICMR, New Delhi.
